

Kolbotn Torg is the meeting place that has it all. Several strong brand shops have established themselves at Kolbotn Torg, including H&M, Soda Hamborg and Lindex. The centre has approximately 50 shops and a wide selection of health care services and ample parking facilities. The proximity to Oslo makes the shopping centre easy to reach by train and bus.

Sektor Gruppen and the municipality of Opegård have collaborated to create an urban oasis, to the enjoyment of all those who live and shop here. The area now includes a wide range of shops, pedestrian streets, restaurants, cafés, a cultural centre, modern apartments and green areas.
